## OBJECTIVES

---

The purpose of this conference is to provide current information to improve patient care and increase healthcare provider confidence in pharmacology pain management.

Upon completion of this learning activity, participants will be able to:

- Identify pharmacological and non-pharmacological pain management principles.
- Discuss and identify approaches to chronic pain recovery and tools for patients and practitioners to utilize to decrease impact of chronic pain.
- Gain a general understanding of interventional adjuncts available to help control pain

Target Audience: healthcare professionals including physicians, advanced practice providers, nurses and any other health care specialists interested in pain management.

### Continuing Education

**To receive contact hours, participants must attend the entire activity.**

– Nursing contact hours to be awarded by ASPMN and Ohio Nurses Association. ASPMN Advanced Pharmacology course has been approved by the Ohio Nurses Association, (OBN-001-91), an accredited provider by the American Nurses Credentialing Center's Commission on Accreditation. The course provides 7.75 contact hours and pharmacology hours for APN's.
