

We are IntNSA. Are you?

Join our global community of addictions nurses, academics, researchers and advocates in the field to drive policy change, champion best practice and fight for the destigmatisation of addiction.

IntNSA firmly believes that professional memberships should be accessible to any nurse in any part of the world. In our dedication for diversity and integrity, we offer a unique, fair and transparent membership model where members can self-select their membership dues based on their salary ranging from a fee waiver to 80 USD* per annum. There are so many reasons to join IntNSA today:

- ✓ Connect with and be part of a community of nurses and experts in the field of addictions from across the world
- ✓ Access our Journal of Addictions Nursing
- ✓ Take part in our annual educational conference (discount available for members)
- ✓ Gain access to our very own eLearning Portal
- ✓ Make a difference to the addictions landscape by championing the treatment, prevention and destigmatisation of addictions
